SUPPLEMENTAL INFORMATION:

I. Background

The FAA established the Task Force by charter on October 3, 2019, under Pub. L. 115-254. The Task Force is required by statute to develop and provide independent recommendations and strategies to the FAA Administrator to 1) facilitate and encourage high school students in the United States to enroll in and complete career and technical education courses, including science, technology, engineering, and mathematics (STEM), that will prepare them to pursue a course of study related to an aviation career at an institution of higher education, a community college, or trade school; 2) facilitate and encourage these students to enroll in a course of study related to an aviation career, including aviation manufacturing, engineering and maintenance, at an institution of higher education, including a community college or trade school; and 3) identify and develop pathways for students to secure registered apprenticeships, workforce development programs, or careers in the aviation industry of the United States.

II. Agenda

At the meeting, the agenda will cover the following topics:

- Welcome/Opening Remarks
- Approval of Previous Meeting Minutes
- Recommendations Report Discussion
- Closing Remarks

A detailed agenda will be posted on the FAA Committee website address listed in the ADDRESSES section at least 15 days in advance of the meeting. Copies of the meeting minutes will also be available on the FAA Committee website.

III. Public Participation

Members of the public who wish to attend the meeting can access the livestream on the FAA social media platforms listed in the “ADDRESSES” section on the day of the event.

The U.S. Department of Transportation is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, such as sign language, interpretation, or other ancillary aids, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section.

The FAA is not accepting oral presentations at this meeting due to time constraints. However, the public may present written statements to the Task Force by providing a copy to the Designated Federal Officer via the email listed in the FOR FURTHER INFORMATION CONTACT section.

Issued in Washington, DC.
